

# Nikki DelRosso

Web Developer

nikkidelrosso@gmail.com

## Skills

Logical problem solving

Attention to detail

Written communication

Challenge-seeking

Visual design (sorta!)

## Tech

PHP & JavaScript

Some .NET

SQL queries

Version control: git

Kanban

## Education

University of Oregon

2008 – 2013

Bachelor of Science

Computer Science

GPA: 3.95

## Objective

I am a web developer seeking a to explore the interactions between multiple teams in an environment with established development processes. I am experienced in both front and back end development, and have an itch to constantly grow and learn.

## Work Experience

### Resound

Senior Web Developer

Mar. 2015 – Present

- Developed and maintained a variety of websites and web applications using WordPress, Laravel, and Drupal
- Integrated applications with external APIs such as PayPal, Asana, Paperless, Freshbooks, Base, et cetera
- Estimated projects using point estimates on user stories

### Chapman Automotive

Web Developer

Jan. 2014 – Aug. 2014

- Updated 15+ dealership websites to new, responsive designs, and patched security holes in old codebase
- Developed web software using ASP.NET for internal use

### University of Oregon

Web Developer

Oct. 2008 – Nov. 2013

- Developed 30+ department and program websites within the College of Arts & Sciences
- Created websites and applications using WordPress, Django, and vanilla PHP
